SFMA / TCMA Business Advisory Service Agreement OVERVIEW AND APPLICATION

Treasure Coast Manufacturers Association (TCMA) is a regional trade association promoting the manufacturing industry and its members in the Treasure Coast.

TCMA has had a longstanding relationship with the South Florida Manufacturers Association (SFMA) and is working on a variety of services and assistance on how manufacturing companies in the area can take advantage of the great programs offered by both SFMA and FloridaMakes, our statewide manufacturing association. Services include:

- Joint participation in SFMA / TCMA events and meetings
- Technical training
- Local and state government advocacy
- And business consulting services

TCMA will provide a stipend for its members to become SFMA members, so these manufacturers may receive subject matter expertise and technical assistance from FloridaMakes, through SFMA's business advisory services.

Preference will be given to smaller manufacturers and will be dispursed free-of-charge on a first-come, first-served basis subject to approval and available funding. The SFMA annual memberships levels, which will be in effect for TCMA members are the following:

- \$495: 1-10 employees
- \$995: 11-20 employees
- \$1945: 21 + employees

TCMA manufacturers larger than the above levels will be eligible for SFMA business advisory services upon approval of TCMA Board.
