A-1 Roof Trusses Adopts New Corporate Name 'A-1 Industries of Florida, Inc.'

Fort Pierce, FL – A-1, a leading manufacturer of pre-engineered wood trusses, announced today that it has changed its corporate name to A-1 Industries of Florida, Inc., effective immediately.

“2022 marks an important point in the evolution of the A-1 organization,” said John R. Herring, President and CEO. “As a leader in the industry, we look forward to continuing to expand with new products and locations to broaden our base to best serve our customers with new technology, quality and value. The rebranding strategy, under the A-1 banner, best represents the new face of A-1.”

About A-1

A-1 Industries of Florida, Inc. founded in 1977, is headquartered in Fort Pierce, Florida, with almost 300 employees, and is a leading manufacturer of pre-engineered wood trusses. As a well-known innovator with progressive leadership in the industry, its services include design, manufacture, inventory management and supply for the construction industry in the Southeast United States and the Caribbean. A-1 Industries of Georgia, LLC, a sister company, is located on 80 acres in Bainbridge, Georgia. This innovative new facility is involved in multiple manufacturing processes, using the latest cutting edge computer technologies. It operates in a totally computerized manufacturing environment, utilizing CNC machines, real time scheduling programs and floor management systems creating efficiencies unmatched in the United States.

A-1 has multiple employment opportunities for candidates looking to be part of A-1's continued growth and share in A-1's Core Values – *Own it, Passionate, Honesty and Respect*.
